ANJUMAN COLLEGE OF ENGINEERING & TECHNOLOGY

ANNUAL E-GOVERNANCE REPORT

Anjuman College of Engineering & Technology has implemented e-governance for sharing information and to manage human resource efficiently with transparency through participation and accountably from all stakeholders. The Enterprise Resource Planning (ERP) of the college is categorized as two major areas e-administration and e- services.

- ❖ E-Administration & Academics uses ICT for information process and decision making by the Governing body, head of the institution, IQAC and different committees formed to decentralize the administration.

- ❖ E- service provides various service facilities. Most of the staff and students use smart phones to utilize the benefits of modern day technologies available in the field of higher education

A college developed in-house ERP system e-governance in various domains of college academic & administration. Students' attendance management, students' database, examination record were made by automation process.

Teachers are able to upload lectures, assignments through online mode. Time to time maintenance is carried out by faculty members of Computer Science Department.

Application of e-governance in different fields are given below

ACADEMIC AND ADMINISTRATION:

Teacher time table management was made online.
Teacher and student portals fully automated.
College Website with subdomain to all departments and each of the faculty members.
All notifications are published in college website.

FINANCE AND ACCOUNT:

Finance section integrated to ERP portal

STUDENT ADMISSION AND SUPPORT:

Admission process is fully automated from submission of forms to payment of fees.Fees are collected online through college portal
E-brochure made available online for free of cost

Below are some user interface snapshot of our college portal showing its application in different fields:-
